

Autumn Magazine Tree

By Amanda Formaro of CraftsbyAmanda.com

You will need

Magazine(s)

1 sheet white construction paper

Scissors

Glue Stick

Directions

Have children sift through magazines to find pages with fall colors such as red, green, brown, orange and yellow.

Cut out a rectangle from a brown page to use as the tree trunk. Glue it to the construction paper.

Cut out simple leaf shapes from the colored pages and glue them all over for the leaves.
